County Health Officer Secures Injunction; Court Test Set Apr. 12

Dr. Charles C. Gans remained in office as director of the San Mateo County Health and Welfare Dept. today by virtue of a restraining order issued in superior court in Santa Clara County and bound the hands of County Executive Frederick Peterson, who claimed he fired Dr. Gans, from doing anything about it.

Counsel for Dr. Gans late yesterday secured a temporary restraining order and an order to show cause issued by Superior Court Judge M. G. Del Mutolo at San Jose, returnable next Wednesday at 10 a.m. The injunction was against the County of San Mateo.

Peterson said he would have to abide by the court order, but declared that the injunction complaint prepared by the San Mateo law firm of Kirkbride & Wilson, counsel for Dr. Gans, was just a "camouflage."

Peterson declared that he had taken the proper steps for the dismissal of Dr. Gans under civil service rules and that he was completely within his rights in dismissing Dr. Gans. The district attorney's office, backed Peterson up on that stand.

Peterson agreed that the appointment of Dr. H. W. S. Hayes, superintendent of Community Hospital, as acting director of the health and welfare department, is held in abeyance by the action of Dr. Gans.

Dr. Gans had been ordered dismissed by Peterson as of 3 p.m. Tuesday.

The Gans-Peterson fight may provide a court test of the civil service commission and its rules and regulations which would affect some 400 county employees.

Dr. Gans contends that he "has not been suspended, demoted or dismissed by the civil service commission."

Peterson contends that Dr. Gans does not have to be suspended or dismissed by the commission, but that he has the power of dismissal.

"The commission can't be a judge and accuser at the same time," Peterson alleged.

"The civil service commission was to hold a meeting at 3:30 p.m. Wednesday, at which time it was expected that a date for a hearing on Dr. Gans' dismissal would be set."

Dr. Gans in his injunction complaint declared that the county executive did not have power to dismiss any officer of the county appointable by him prior to adoption of the civil service amendment, excepting with confirmation of the supervisors. Prior to the amendment, only the board had the power to suspend, prior to the board's confirmation of dismissal, he said.

"Since adoption of the civil service amendment, the only change

has been that the power to suspend is transferred to the civil service commission. . . no such permanent employee shall be suspended, demoted or dismissed except for reasonable cause to be determined by the commission. . . Where the power of appointment or removal is subject to confirmation, or requires the action of any other person besides the original appointing or removing power, it takes the affirmative action of all to appoint or remove."

Peterson on Mar. 20 sent a letter to Dr. Gans declaring that his services would not be required after Apr. 4. On Apr. 1 Dr. Gans filed with the civil service commission a written answer to the charges and appealed to the commission against the actions of the executive "which are detrimental to his employment status and welfare."

Goodman Buys 322-Acre Tract

Purchase of 322 acres of land between Redwood City and Woodside by the Land Development Company of San Francisco for real estate and building developments was revealed when the deed for the sale was filed with the county recorder.

Biggest purchase for this purpose in recent years, the land will be subdivided for home sites an acre or more in extent according to M. Stulstaf representing the company. The homes, ranging in price from \$6500 up, will be of the farm type architecture. Plans are underway for construction to begin as soon as possible if the necessary priorities can be obtained but it may have to be postponed until after the war, Stulstaf explained.

Revenue stamps affixed to the deed showed a price of \$62,500 but mortgages involved bring the total to approximately \$135,000. The deed showed the transfer of the land was from M. L. Fruhling of San Francisco to E. L. Goodman of San Francisco, representing the development company.

RECKLESS DRIVING CHARGE
Duane Allen Brown, 117 Eleventh Ave., San Mateo, was cited Sunday by Judge C. J. Messner of Belmont to appear Apr. 10 on a charge of reckless driving and speeding. Chester D. Ward, 524 Guerrero St., San Francisco, filed the complaint.

Committee Aids 1944 Gardeners

Plant by the calendar, not by the weather, George Davis, chairman of the Home Food Production Committee of the San Mateo County War Council, warned those putting in victory gardens.

"It is still too early for planting warm weather crops. Early plantings are not as successful as the later ones," he explained.

"Get the ground prepared but hold off the planting of the tender varieties."

The weather bureau daily warns of low temperatures, Davis pointed out.

Ground which is particularly dry must be thoroughly soaked before planting unless there is rain enough to properly moisten the ground, Davis said.

"If you must plant seeds plant hardy ones such as carrots, beets, turnips, lettuce and the like. Potatoes can be planted now as they will sprout after the danger of frosts is over."

Gardening experts and commercial growers who know the proper planting times for vegetables grown on the Peninsula have written a planting guide. This guide is available upon request to anyone in the county. The headquarters for the Home Food Production Committee is in the office of the War Council—1350 Howard Ave., Burlingame.

S.C. Vandals Destroy More Political Signs

SAN CARLOS — Vandals early Tuesday scored another round in a campaign to destroy San Carlos Progressive wooden campaign signs when the large placard at San Carlos Ave. and Laurel St. was razed and shunted away.

This was the sixth such sign stolen or knocked down within a week. The latest depredation, occurring about midnight, was apparently timed just after police had passed on patrol and had proceeded on a nightly assignment. Returning to the scene a short time later the officers noted the sign's disappearance. A quick search of the vicinity failed to reveal the vandals but the sign, probably too heavy for a quick getaway, was found secreted behind a laundry building on El Camino Real.

Mrs. Koempe later denied that there was any rubbish or other filth on her property, that her animals were maintained in violation of city ordinances or that there was anything wrong with structures on the premises.

At that time, City Attorney McCarthy declared that "the city officials believe that preservation of public health is so overwhelmingly important and the conditions of the premises were so extremely unsanitary, that measures taken were the least harsh that were deemed necessary."

Mrs. Koempe later denied that there was any rubbish or other filth on her property, that her animals were maintained in violation of city ordinances or that there was anything wrong with structures on the premises.

TRIAL: Mrs. Koempe To Seek \$16,950 Damages

Apr. 11 has been set as the trial for the \$16,950 damage suit filed last Nov. 5 by Mrs. Olive Koempe against officials of Redwood City and San Mateo County and for the counter suit filed by the city.

The two suits arose from action taken last October by city and county officials to clean up the property of Mrs. Koempe at 429 Howland St. which, after examination, Health Insp. John Fickelsen had termed a health menace and from the subsequent removal of Mrs. Koempe to Community Hospital for examination.

By agreement of the attorneys, both suits, to be tried in the court of Superior Court Judge A. R. Cotton, will be tried on the same evidence with William Penat representing Mrs. Koempe, City Atty. Paul A. McCarthy as counsel for the City of Redwood City and Dep. O. M. Van Dym acting for the district attorney's office for Dr. H. W. S. Hayes, superintendent of Community Hospital.

In her suit, Mrs. Koempe charged members of the Redwood City Council, chief of police, police officers and members of the City and County Health Department with false arrest, illegal confiscation and disposition of her animals and destruction of her property.

The city will try to show that there was reasonable grounds to believe, from an examination of Mrs. Koempe and her property prior to and on Oct. 4, 1943, that she was mentally ill and that she could appropriately be held in the observation ward at the county hospital pending an examination by the county psychiatrist.

At that time, City Attorney McCarthy declared that "the city officials believe that preservation of public health is so overwhelmingly important and the conditions of the premises were so extremely unsanitary, that measures taken were the least harsh that were deemed necessary."

Mrs. Koempe later denied that there was any rubbish or other filth on her property, that her animals were maintained in violation of city ordinances or that there was anything wrong with structures on the premises.

At that time, City Attorney McCarthy declared that "the city officials believe that preservation of public health is so overwhelmingly important and the conditions of the premises were so extremely unsanitary, that measures taken were the least harsh that were deemed necessary."

Mrs. Koempe later denied that there was any rubbish or other filth on her property, that her animals were maintained in violation of city ordinances or that there was anything wrong with structures on the premises.

S.C. Woman Start Canvass

SAN CARLOS—Last minute campaign details are being worked out by the women's group supporting the incumbent candidates for election to the San Carlos council, Mrs. Harland Lane announced Wednesday.

The women are now making a house to house canvass because they are "interested in seeing San Carlos continue to run on a safe and economical basis and want men of proven ability in office," Mrs. Lane said.

Mrs. A. S. Kalenborn, one of the leaders of the group, endorsed incumbent candidate Donald H. Lilly and spoke out in favor of the continuation of the recreation program. She made a plea for additional supervision of the playgrounds.

Other members of this group include Mmes. L. B. Waters, Paul A. Torrance, A. L. Mewhirer, Mack Bell, Price Wheeler, George Forbes, Harold Cooper, L. B. West, G. C. Hallawell, S. S. Wemett, L. S. Grohs and Harrison Williams.

A second group is increasing its campaign activities for the two incumbents, A. H. Sagehorn and E. R. Burton, but declared today that they "favor some new blood and want one new member on the council."

Fay, Campbell Win Fire Posts

Woodside chose two fire commissioners Monday and Belmont one in elections held in the two districts.

Paul Fay was elected for the three-year term in Woodside, and S. W. Campbell for the two-year term. Fay, the incumbent, received 73 votes and Campbell 68, with a total of 110 votes cast, a record-breaking vote for the district. In the Belmont district, Harry T. Walden was re-elected with no opposition. He received 96 votes.

Edgar Norris, write-in candidate in the Woodside election, received 18 votes against Fay for the long term and six votes for the short term. John Mathens, write-in candidate for the short term, polled 18 votes.

Officials in the Woodside district were Mrs. George Shine, Mrs. William Disher, Mrs. Gene Hill and Mrs. Charles Strong. The Belmont election board consisted of Mrs. Paul Miller Sr., Mrs. Harrison Klages, Mrs. Harry Welch and Mrs. James C. Milken.

County Engineer Opens Rubbish Dump

In an effort to end the dumping of unsightly and insanitary rubbish along the roadsides in East Palo Alto and neighboring areas, San Mateo County Engineer M. A. Grant has opened a rubbish dump at the end of Bay Rd.

He asks that persons with garbage or other junk to dispose of take it there. Hours will be 8 a.m. to 5 p.m. weekdays and 9 to 5:30 Sundays.

Mr. Grant says the dumping of rubbish by the road has increased to such proportions that it recently cost the county \$500 to clean up an area on South Willow.

Dumping junk is a misdemeanor. He points out, and the county will prosecute persons guilty of it if the nuisance is not stopped.

Good Friday Union Service

The three-hour union service on Good Friday will be held at the First Congregational Church this year with Dr. Charles E. Ward officiating.

The service begins promptly at 12 noon. Other churches participating in the service are: First Baptist, the Rev. Walter Smith; First Methodist, the Rev. Earl Carter; Free Methodist, the Rev. H. A. Hamner; First Christian, the Rev. Eugene Sabin; Full Gospel, the Rev. E. R. Gomes, and the Church of God.

Solo numbers will be given by George Prall, John Dusel, Carol Woodhams Peters and Duncan Reynard.

Mrs. S. S. Mayo Gives Tips On Home Storage of Eggs

There'll be no shortage of eggs for Easter in California. Hens throughout the state seem to be operating on a day shift and a swing shift, and the resultant record-shattering production has exceeded the storage capacity of refrigerated warehouses, according to information received by the Redwood City War Council.

A. J. Lorenz, chairman of the state food and nutrition committee, stresses the necessity of public cooperation in relieving the critical condition. One egg a day and not less than four or five a week is a good nutrition rule, he says.

"With so many protein foods of similar quality in relatively short supply, the mistakes our hens have made are lucky breaks for our family dinner table," he said. "Six eggs yield an average of three-quarters of a pound of the highest class protein food."

Mrs. S. S. Mayo, chairman of the consumers' interest committee of the Redwood City War Council, offers home storage as a solution of the problem, and tells how eggs may be put down in water glass. "You don't need a crock to store eggs in," Mrs. Mayo says. "You may use a quart or half-gallon wide mouthed coffee jar or glass canning jar. Your grocer or druggist has water glass (sodium silicate) for sale as a concentrated solution. Follow the directions as given on the label.

"See that all the eggs are covered

by the water glass solution all the time if kept in a cool place, such as the basement or garage, eggs will be usable for all purposes, except possibly for poaching, for at least three months. Select eggs that are infertile and perfectly fresh, not older than three or four days, and preferably not so old. Choose eggs cleaned free from foreign material, but do not wash.

"It's a good idea to date or number the jars. As you use the eggs from Jar No. 1, don't throw the water glass solution away, but put some new, fresh eggs in No. 1 and so on. Figure out in advance how many eggs your family uses, then plan your supply of them accordingly."

Progressives Plan Rally

SAN CARLOS—An old-fashioned election eve campaign rally, bristling with entertainment, songs and speeches will be staged by the San Carlos Progressive Assn. next Monday night at Laurel Hall.

Arrangements are being completed today by Harold Schaefer, rally chairman, for the free fete. All San Carlos residents are invited to attend this windup of the unprecedented campaign in favor of the Progressive candidates, Harvey P. Carleton, Ed. H. Drotleff and Patrick J. Kearns.

A popular, widely known master of ceremonies is scheduled to direct the entertainment, all of which will be contributed by members or friends of the Progressive Assn.

Included among the attractions are Cantini the Magician; Frank Macaulay, tenor; Eleanor Macaulay and Betty Conroy, novelty dances; Leona Schaefer, tap dances; La Verne Varni, soprano, and the Progressives Trio. Karl Mausser, Rudy Thuer and Herman Freese. Pianists will be Marie Thuer and John Thuer. Candidate Pat Kearns will also be heard in vocal solos.

The candidates will make their closing addresses and a final summation of the Progressive program will be made by Henry W. "Hank" Schaldach, speakers' chairman.

County Supervisors Attend Meeting

At a meeting of the highway committee of the California Mission Trails Assn. held recently in Salinas, the association was warned that there would not be sufficient money to build adequate highways in California after the war. A motion was made to petition the state government to introduce a bill for a 4 cent tax on gasoline. The extra cent would go exclusively to state highways, one-half to counties, one-half to the state.

Supervisors Fred E. Beer of San Mateo and Alvin S. Hatch of Half Moon Bay attended the conference.

Three-fourths of the virgin timber of the United States has been cut.

VISITOR: Colonel Walt Is Dubbed 'Silent Lou'

Lt. Col. Lewis Walt spent the week end in Redwood City, the guest of his cousin, J. H. Ott, and Mrs. Ott at 210 Lexington Ave. "Silent Lou," as his superior officer dubbed him, didn't have much to say about the battle of Walt's Ridge, bloodiest conflict of the Cape Gloucester campaign. Yet the army named the ridge for him, and Associated Press dispatches painted him as an indefatigable leader of almost legendary courage. He wears the Silver Star.

Walt, one-time Colorado State College football star, is at Oak Knoll Hospital in Oakland for treatment of a shoulder injury.

"A near miracle," is the way he describes the capture of Walt's Ridge by the marines. It was a key position and had to be taken at any cost. Five times the Japs charged, chanting "prepare to die, marines." Five times the marines hurled them back. The Americans were fighting eight days on reduced rations when Walt took over command. For eight days the marines had been fighting on reduced rations. They had slogged through jungles, waist deep in mud, often spending entire nights in water up to their shoulders. The rain turned gulleys into "devil's slides" over which men climbed only by pulling on trees and bushes along the way. For two days Walt pushed his troops through jungle so dense the visibility was less than 10 yards.

"The ridge itself was something remarkable," Walt said. "Heavily fortified with pillboxes, machine gun emplacements and the like, it was a veritable ant hill of tunnels. We didn't know where the Japs were coming from until we blasted them out of the tunnels later. It was one of the most elaborate defense set-ups in the South Pacific."

Thinking the battle lost after the fourth Jap assault, Walt signaled for the artillery to lower their curtain of fire. By excellent spotting the fire was drawn closed, until 105-mm. artillery cut loose shells that landed only 30 yards beyond the Americans' lines. The enemy attempted one last charge, but the marines, fortified by fresh supplies of ammunition, opened fire with deadly canister shells, and the Japs had launched their first assault at 4:15 a.m., and now, at 10 a.m., it was over. More than 200 Japanese dead littered the slopes of Walt's

Ridge. Only a handful of the emperor's crack troops escaped. Walt, who commanded the initial assault company which stormed the beach at Tulagi early in the Solomon campaign, rose from the rank of a first lieutenant to lieutenant colonel in less than 11 months through spot commissions in the field. He fought on Guadalcanal and was in the Florida Island mop-up. He was in the Fort Collins, Colo., and joined the Sixth Marines. He was stationed for a time in Guam and was an instructor in the marine corps schools.

S.M. County Women Shift in Industries

Women workers in San Mateo County are shifting from durable goods to nondurable goods industries but the total employment is steadily increasing according to an announcement from the department of industrial relations Wednesday. A decrease of 400 women workers in durable goods factories was offset by an increase of 700 in the nondurable goods group. Women wage earners totaled 48,800 in February, 1944 as compared with 37,600 in 1943, and the ratio of women to total wage earners rose from 14.1 per cent to 22.4 per cent.

San Carlos Firemen Set Annual Ball

San Carlos firemen will hold their 21st Annual Ball Apr. 21 at the San Carlos Elementary School auditorium from 9 p.m. to 1 a.m. Roy Collins, chairman, announced. His committee for the event consists of Harry Kirkorian, Elbert Miller, E. C. Burson and Bruno Gori.

Palo Alto Police Seek Bad Check Passer

PALO ALTO—Palo Alto police were looking for a man giving the name George L. North, 161 Jeter St., Redwood City, on a charge of passing a bad check for \$20 on a Palo Alto merchant (George Paddelford) Monday. The check was drawn on a San Antonio, Tex., bank. It was given in part payment for a radio set.

City Shifts Election Vote Canvass

Shifting their schedule to conform with the state wartime provisions, the Redwood City Council will canvass city election votes on Apr. 18 to allow time to include absentee ballots from service men and women.

The council voted to make the change at Monday's meeting following a recommendation from City Atty. Paul McCarthy, who pointed out the conflict between the procedure provided in the charter and the new state provisions.

Absentee ballots received before midnight, Apr. 17, will be included in this year's city election thus making it technically impossible for the council to conform to the charter provision providing that they canvass the ballots on the meeting following the election.

It was agreed that the council will adjourn on Apr. 17 to the following night, when the votes will be canvassed. The election is Apr. 11.

Two discussions introduced by Councilman Carl Britschgi and Mayor Floyd T. Granger pointed towards possible future action in the future to stem "unsightly" building in Redwood City.

Councilman Britschgi suggested that building permits be issued on buildings under \$50 as well as over so that the building inspector could have control over such building.

City Attorney McCarthy pointed out that such a change would be possible with an amendment to the uniform building code now used by most cities in the state.

The matter was placed on the agenda. Mayor Granger brought up the discussion of possible methods of alleviating the building danger in the existence of a number of 25-foot lots.

Granger urged that the city do everything in its power to encourage the purchase of these lots by adjoining property owners and was backed in his contention by Councilman Evans Fletcher, who pointed out the danger a small, unsightly house on a 25-foot lot, impractical as it may seem.

The matter was referred to A. W. Palm, city real estate agent, with the request that he report to the

city real estate committee, his findings.

The State Highway Department in a communication to City Mgr. Robert Mead stated that the highway rules prohibited two live parking lanes on a state highway. The letter was in answer to a request to make Main St. a six-lane street from Broadway to Maple. The highway department recommended that the single center stripe with two parking lanes be retained. The matter was referred back to Mead for further study.

C. E. Archibald appeared before the council to question a possible conflict between the new zoning ordinance and Ordinance 360, in respect to the building and location of garages.

In explanation, City Attorney McCarthy stated that the new ordinance provided that no garage could be built on the front part of the property and in the case of a most remote part, while Ordinance 360 prohibits construction of a garage until 25 per cent of the main building has been constructed.

The council then adopted the new zoning ordinance.

Councilman Britschgi asked if some expense could be saved in the city's legal advertising bill by cutting the wording but was informed by City Attorney that it would be in violation of the publication code.

Bldg. Insp. Laurie Duncan reported that work in removing Vic Mitchell's Blacksmith Shop, Chestnut and Main St., had not been started. The council instructed the city attorney to post proceedings to have the property torn down at the expense of the property owner.

Duncan also stated dissatisfaction with the removal of the Carling property on Manzanita St. and the council will give 30 days to abate the nuisance, having already adopted the resolution declaring the property a nuisance on Feb. 21.

A letter from Thelma K. Ross, chairman of the recreation committee stated that the request from the YMCA for \$250 had been withdrawn and the council dropped the matter from the agenda.

The council canceled taxes on three parcels of property on the

Reverend Stack Addresses Knights

At the annual communion of the Knights of Columbus of San Mateo Council 1346, held at the Benjamin Franklin Hotel in San Mateo Sunday, guests heard an address by the Rev. Joseph Stack, Jesuit educator. Reverend Stack was introduced by Edmund Scott of Redwood City, past grand knight of the council and president of the retreat association of Northern California.

In his speech, Reverend Stack expressed the fact that "what a man thinks, he is—and what a man is, society becomes."

Bayshore Hwy. at the request of the State Division of Highways. Dance permits were issued to Court Madrone 158, Howard Frederic and Ladies of the Moose.

The Chinese generally wear five buttons on their coat fronts to remind them of the five principal virtues recommended by Confucius—humanity, justice, order, prudence and rectitude.

Pay Less for Painting!

Paint it Yourself with Wards

Resintone

the washable wall paint

anyone can apply!

Quart 79c
Applicator 89c

269
Gallon

You pay less for painting, with Resintone—because a single gallon of Resintone will cover the walls of an average size room! And because there's no oil or turpentine to buy. (Resintone thins with water.) And because, finally, Resintone's a paint that you can apply yourself, easily and quickly. (With brush or roller applicator.) It dries in 40 minutes, without unpleasant paint-smell. Come to Wards for a free folder showing Resintone's 11 lovely colors!

1 coat covers almost any interior surface, even wallpaper.

Rinses from hands yet on walls (after 1 week) it's washable!

"Service-up" your Refrigerator

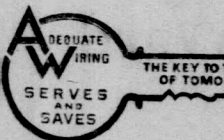

for Hot weather

- Use a mild soap or soda for cleaning your refrigerator.
- Defrost whenever freezing compartment has coating 1/4" thick.
- Wipe up spilled foods at once.
- Do not put hot foods into the refrigerator.
- Store foods properly and do not overcrowd the shelves.

THE TIME is now, as Spring is here and bountiful Summer approaches, to "service up" your refrigerator. Wash it thoroughly inside and out so that it will be sweet and clean for fresh food storage. Carefully give it soothing drops of oil where needed. Whisk out dirt and dust from the mechanism with a handbrush and dust rag. And of course, never let frost "choke up" freezing compartment. You MUST depend on your present refrigerator to take care of food for the hot summer days ahead. If repair is necessary, have it done now before the summer rush.

WHO AND WHERE FOR REPAIR

Every P.G.&E. office keeps an up-to-date list of factory-authorized repair dealers in your community.

SCOUTS: Commissioner Plans Den Chief Course

Dr. J. M. Foley, council cub commissioner, has announced a Den Chief training course to be held on Wednesday at 10 a.m. at the children's theater in Washington Park, 900 Burlingame Ave., Burlingame. Den Chiefs of all Cub units throughout San Mateo County have been invited to attend, as well as the Den mothers and Cubmasters. The course will consist of ceremonies, games, crafts, the Den Chief and his responsibilities, etc. The leaders in charge of the course will be Scout Executive Barrer, Asst. Scout Executive Wilson, Den Mother Comar, Mrs. Ruth Von Gunten and Den Mother Mrs. Paul Stein.

ADVANCEMENT COMMITTEE
Under Council Chmn. Bertram A. Watson Sr., the Council Advancement Committee met this week and formulated definite rulings in that field. The official staff or executives are no council merit badge counselors. Decision to hold troop courts of honor as much as possible but none in the months when district courts of honor will be held and that troop courts of honor must be at least 10 days in advance of the court. There is a great shortage of merit badge counselors and anyone for the San Mateo County Council may obtain more information regarding this subject at the Boy

Scout headquarters in Burlingame telephone 3-3866.

COUNCIL CAMP COMMITTEE
The Council Camp Committee, under chairmanship of John F. Linden completed a session this week at Camp Pescadero, where set. The time the definite dates for summer camp will be held June 25 to July 23 and will consist of one two-week period and two one-week periods. More emphasis is to be placed on the training program in camp for troops and patrols. Council hikes by divisions will be held under council supervision for troops, patrols or individual scouts. Swimming is to be stressed, using school pools and Flood Park. The various council outdoor functions were discussed and plans furthered for successful participation of all units at the Southern Division Camporette on May 6 and 7 at Hawes Park in Redwood City; Northern Division Camporette on Apr. 29 and 30 at the Orange Ave. Park in South San Francisco. The Northern Division Cuboree will be held on May 28 at Ray Park in Burlingame and the Council Camporette will be held at Flood Park May 20 and 21.

SOUTHERN DIVISION
Louis B. Dematteis, chairman of the Southern Division District, has called a meeting of all scouts in

the Southern Division for Wednesday present at which time the boys practiced for camp training.

Troop 143, under Scoutmaster Hamilton Day, held a regular meeting with 20 boys at which time election was held. New officers are: Bob Jensen, senior patrol leader; Phil Zeitman Jr., assistant patrol leader; Jim Scales, Jack Hocking and Phil Bray were elected patrol leaders.

Troop 149, under Scoutmaster Kurt Wenzel, held a regular meeting with nine attending. Plans were made for participation in the Division Camporette and the Council Camporette.

Troop 153, San Carlos, under Scoutmaster Sgt. M. V. Stivers, held a regular meeting with 45 present. A 14-mile hike was held recently with 22 boys participating.

Troop 159, Scoutmaster Fred Eilerman, held a week-end camp and hike at King's Mountain Camp last week end. Comar, J. J. McCann, camp well planned, adequate camp menu. Time in camp was taken up with test passing and according to Commissioner McCann this troop, under its excellent leadership, bids well to assume leadership in all scouting activities.

Troop 160, under Scoutmaster Armstrong, held a regular meeting with 23 in attendance. The boys practiced for test passing and for the coming camporette and council camporette.

Troop 162 held a regular meeting with 21 boys at which time messenger relay was practiced in anticipation of the coming camporette. Scout Ladane Rogers advanced to the second class rank.

Troop 163, under Scoutmaster Davenport, held a regular meeting with 15 attending. Skits and a piano solo were enjoyed.

Mrs. Culbertson Buys Scott Home

The home of Mrs. Edna Davis Scott at 669 Hayne Rd., Hillsborough, has been purchased by Mrs. Lorraine S. Culbertson. It was revealed Tuesday when the deed of sale was filed at the county recorder's office.

Stamps affixed to the deed totaling \$38.50 indicated a sale price of \$35,000. The transaction was handled by the San Mateo Title Co.

WHY BE FAT?

Get slimmer without exercise
You may lose pounds and have a more slender, graceful figure. No exercising. No dieting. No drugs. With this AYDS plan you don't cut out any meals, starches, potatoes, meats or butter, you simply cut them down. It's easier when you enjoy delicious (vitamin fortified) AYDS before meals. Absolutely harmless. Try a large size box of AYDS 30-day supply only \$2.25. Money back if you don't get results. Phone RC 293. LOCK DRUG CO.

Julia suggests 3 sparkling ideas for Easter dishes

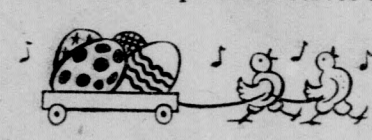

EVEN in war-time, we can turn an Easter meal into a really memorable event. The secret? Just a little feminine ingenuity!

With eggs, for example: why not make Easter breakfast something to remember, with

FROSTED EGGS
9 eggs
1/2 cup milk
1 tsp. salt
1/4 tsp. white pepper
2 tbsps. butter, margarine or shortening
6 toast rounds

Beat 6 whole eggs and 3 yolks together lightly; add milk, 1/2 teaspoon of the salt, and 1/4 teaspoon of the pepper; beat well. Cook eggs slowly in melted butter, margarine, or shortening, in frying pan until just set, stirring occasionally. Place in individual casseroles or on top of rounds of buttered toast, arranged on an ungreased baking sheet. Frost with egg whites beaten until stiff but not dry, and seasoned with remaining salt and pepper. Bake in moderate oven (350° F.) about 15 minutes or until whites are a golden brown. May be served with crisp bacon. Serves 6.

And for an Easter buffet, or for supper, "history" can be made with

EGG MOUSSE
2 tbsps. unflavored gelatin
1/2 cup cold water
2 cups milk
1 cup mayonnaise
1 tsp. onion juice
2 tbsps. lemon juice
2 tbsps. prepared horseradish
1/2 to 1 tsp. salt
3 drops yellow vegetable coloring
8 hard-cooked eggs

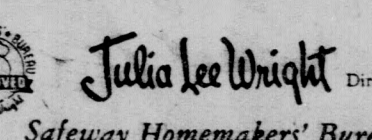

Soften gelatin in cold water. Heat milk. Add to softened gelatin and stir until gelatin is dissolved. Add mayonnaise, seasonings, vegetable coloring, and finely sieved egg yolks; stir well. Chill until thick and syrupy. Fold finely chopped egg whites into mixture. Pour mixture into 4-cup ring mold. Chill until firm. Unmold on large platter. Fill center with ham, fish or chicken salad mixture. Serves 12.

And for dessert (and here I am still talking about eggs, which are relatively plentiful this Spring), how about topping off Easter dinner with sweet-filled

HARD MERINGUE
3 egg whites
1/2 cup salt
1/4 tsp. cream of tartar
3/4 cup sugar

Beat egg whites until foamy; add salt and cream of tartar, and continue beating until egg whites become stiff and dry. Add sugar gradually, 2 tbsps. at a time; continue beating until meringue is stiff and forms sharp peak. Form meringue shells with pastry tube, or drop by tablespoonsfuls for puffs, on slightly greased heavy paper; place on baking sheet. Bake 1 hour or until dry in slow oven (275° F.). Remove from paper and cool. Makes 6 to 8 cases, which can be filled with ice cream or custard or whatever strikes your Easter fancy!

Hendy Worker Electrocutted

MENLO PARK—Just a day and a half after he had been hired by the Joshua Hendy Iron Works at Sunnyvale to install an automatic sprinkler system, Richard R. Burrus, of 530 Oak Grove Ave., Menlo Park, was electrocuted Tuesday morning when his knee touched an 11,000-volt wire.

Mr. Burrus was working near the ceiling of the navy ordnance shop when he came into contact with the wire. The shock threw his body almost sixty feet to the floor, killing him instantly and burning his legs and feet badly, according to Dep. Coroner Harry Ryder.

He was born in Kingfish City, Okla., 40 years ago. Before taking the job at Hendy's he had worked for the Food Machinery Corp. in San Jose. Survivors are his widow, Mrs. Letha Burrus of Menlo Park; his parents, Mr. and Mrs. George W. Burrus, of Claremore, Okla., and two sisters, Miss Eunice Burrus and Mrs. Edith Sparlock of Claremore.

Funeral services are being arranged by Roller & Hapgood, Palo Alto.

Rev. Samuel Shin Speaks at St. Peters

Revealing that "the cruelties of Bataan have become painfully familiar in Korea," the Rev. Samuel Shin, Korean minister at the Stanford School of Humanities, last night addressed members of the San Carlos Odd Fellows Lodge at St. Peter's Episcopal Church.

"We have learned the meaning of Japanese promises for 'Asia for the Asiatics' in the 24 years that they have occupied Korea," he declared. "Ownership of Property, control of education and the political administration of the country have now passed completely into the hands of the Japanese."

"The hope of small countries in the post-war world lies in complete independence, not in domination by any other power even though it be benevolent domination," he added.

Frank Yonjun Lee, government teacher and foreign broadcaster, sang two solos, "Oh, Thou Divine Redeemer" and "The Palms."

Mexico produces 40 per cent of the world's silver.

HANDS BEGIN TO FLY when the fleet moves in or it's payday in the Army

Then the boys rush to the telephone—a whole, eager bunch of them all at once—to call the folks back home.

Your casual Long Distance call at such a time could mean that some soldier or sailor would have to wait—or maybe not have time to get his call through at all.

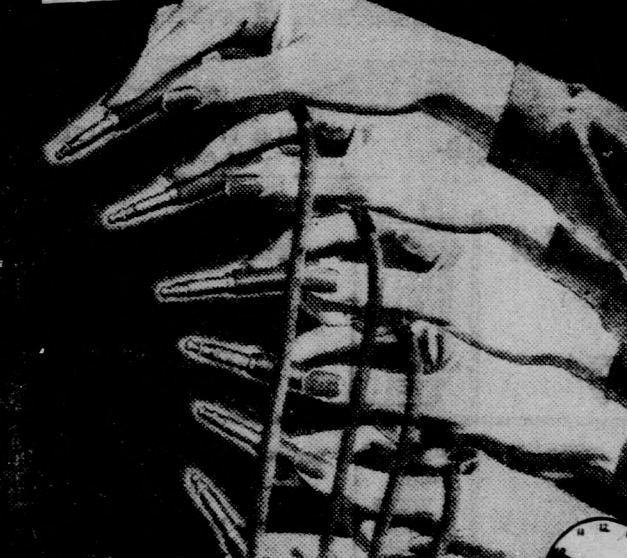

Will you please help—by leaving 7 to 10 P.M. for the service men?

It's especially important in these off-duty hours.
